## The Power of OneSource

Product Lines You Need

Value-Added Services That Lower Your Total Costs

SAFETY

ELECTRICAL

In the early 80's we set our sights on an ambitious goal: earn the position as your **one source** of Industrial, MRO, Electrical, Automation and Safety products for our customers. We secured the leading industry product lines, and we also developed a suite of value-added services that **lower your total supply chain costs**, powered by our outstanding eCommerce capabilities.

**The Power of OneSource**  
Performance and visibility for your supply chain

So when you're looking through this line card, keep in mind that you are dealing with a distributor that does more than just get products to you. Our suite of value-added services maximizes your productivity and lowers your total costs.
